Good morning Jhana,

I have uploaded the photos to epaosc.net. The pictures are there, however if you just view the thumbnails of the pictures they come up as a white box with a red x. I've fiddled around with them, tried saving them as a different file and I have not been able to the picture to pop up as a thumbnail. Let me know if you would still like them on the site. Great photos by the way!

-Tobias

For some reason, I could not get these to upload - can you? Thanks.
